

## TECHNICAL DATA

### KC-550

#### Description:

KC-550 is an automatic heavy-duty caustic detergent designed for use in washers and CIP systems. KC-550 features outstanding performance on hard to remove fat soils.

#### Physical Properties:

Appearance - Brown liquid  
Odor - Ammonia  
pH 2% Solution – ~13  
Density – 12.27 pounds per gallon  
Foaming - Low  
Rinsing - Excellent

#### Directions for Use:

Use in washers or CIP systems, diluting 1 to 8 ounces per gallon of water, or as required. Dilution rate varies with length of exposure time to contact surfaces. Apply to surfaces such as: metal, concrete, glass, and plastic. Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.

#### Safety:

Contains sodium and potassium hydroxides. Contact with eyes and skin might cause burns. Avoid contact with eyes, skin and clothing.

Read Safety Data Sheet (SDS) before using this product.

#### Storage:

Keep container closed and store in a cool, dry place.
