SAFE FOODS
CHEMICAL INNOVATIONS

Effective Date:
January 1, 2026

CONTINUING LETTER OF GUARANTEE
KC-621

Safe Foods Chemical Innovations hereby guarantees that KC-621 is safe and effective under the intended conditions of use as outlined on the Product Label and Technical Data Sheet. Each shipment shall:

1. Not be adulterated or misbranded within the meaning of the Federal Food, Drug, and Cosmetic Act, as amended, and not an article which may not, under provisions of section 404 or 505 of such Act, be introduced into interstate commerce.
2. Be in compliance with the FDA Food Safety Modernization Act of 2011 (FSMA).
3. Be in compliance with all Federal, State and Local laws, rules and regulations regarding labeling contents, weights, or other essential declarations.
4. Not be an article that cannot be legally transported or sold under the provisions of any Federal, State, or local law.
5. Be produced in compliance with the Fair Labor Standards Act, as amended, and the provisions and regulations of such Act.

This article is formulated to be safe and appropriate for the intended use and complies with guidance set forth in Sanitation Standards Compliance Guide, in which Food Safety Inspection Service presents or references methods proven to be effective in maintaining sanitary conditions in meat, poultry, dairy, and general food processing establishments.

The guarantees given herein are continuous and shall be in full force and effect until revoked in writing.
